

Gonzalo Federico Moyano

FRONTEND DEVELOPER

I'm a Front-End Developer in constant preparation and updating. I studied Frontend React Development at Coderhouse. I currently working on freelance projects using HTML, CSS, Bootstrap, JavaScript and React Js.

I'm a proactive, organized and responsible person, with good interpersonal relationships. I like to create solutions to the challenges I seek.

I'm very interested in design. I really enjoy creating and making things look good.

I'm looking for a challenging job where I can continue learning, and share my experience and knowledge with the team.
